

Electric Vehicle Charging Safety

Stay safe while charging your electric vehicle

Visually inspect the charging cable before use. **Never** use a damaged charger

Follow the manufacturer's instructions on how to charge

Never use an **extension cord** or **multiplug adapter** when charging electric vehicles

Only use **manufacturer provided** or **approved** charging cables. Never use an adapter to change charging types

Never **alter** or **modify** your electric vehicle or its battery

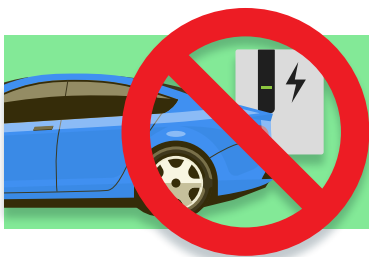

Properly store **chargers** when not in use to prevent damage

Cover chargers to manufacturer's specifications to avoid water damage

Ensure you have proper **GFCI protection** to protect against electric shocks

Be aware of your surroundings. **Do not** accidentally come in contact with chargers when driving or parking

Make sure your charging equipment has been certified by a **Nationally Recognized Testing Laboratory**

All electric vehicle chargers should be installed by a qualified electrician
